What Participants Have Said!

The group participation makes you think and get involved ❖ Mr. Schwartz is sharp, quick, and has a great attitude.

Ransom Environmental Consultants, Tara Smith, Project Engineer

The time management seminar dealt with the "whole manager," not just a piece ❖ Also Mr. Schwartz's articles were especially helpful; ❖ I have been to time management courses, which by themselves, did not help very much.

New England Telephone, James Puffer, Engineer

Enjoyed the seminar and felt it was well organized and presented ❖ It was a beneficial experience ❖ I feel more confident in my attitude for delegation.

Nova Biomedical, Lewis Capriccio, Sr. Mechanical Engineer

Good time management techniques ❖ Good insights into delegation.

Hybricon Corporation, Christopher A. Friot, Engineering Manager

I learned to understand the importance of prioritizing tasks and identifying the most efficient time for different tasks.

Intec Controls Corp., Stan Pensak, Software Engineer

As a novice manager, it was a real eye opener! ❖ Hope you have follow-up courses to maintain and encourage further growth for everyone!w Thanks!!!

MIJA Industries, Mark Mueller, Chief Engineer

Mr. Schwartz is very comfortable in front of a crowd and makes the program very enjoyable wThis program was well put together with speeches, real world examples, visual aids, handouts, and participation.

Gale Associates, David Goguen, CADD Operator

The training was very informative, I've learned a few good ways to view dealing with problems ❖ The steps to problem solving stood out in my mind.

Dept. of Youth Services, Jonathan Sawyer, Maintenance Supervisor

Very enthusiastic and lively presentation! ❖ The course was excellent!

GEI, Consultants, Inc., Raymond Barry, Project Engineer
