*I believe I will improve my life and career because of this seminar ❖ Stepping back and thinking about what I am doing first was the most useful technique I learned.*

**The Krupp Companies, Edward D. Belz, Assistant Vice President**

*I am now off on the right track ❖ I look forward to reading material and coming back next week ❖ An excellent mix of lecture and interactive exercises ❖ It all fits together.*

*The presentation was informative and gave good general background for helping to start or plan a business ❖ The session was very relaxed with positive thinking that helped create ideas about what is possible to do with not only business but personal areas as well.*

**Legal Seafoods, Susan Butler, Waitress**

*The seminar leader was excellent ❖ I can think of no suggestions to improve the seminar; it was great.*
